

## Job Posting

### Interventional Neuroradiologist

Neuro Spinal Hospital, Dubai, United Arab Emirates is looking for a full time Interventional Neuroradiologist. The candidate will be American/European Board Certified Interventional Neuro Radiologist with at least 7 years experience in a major Neuroscience Centre. This is an immediate position.

The candidate should be proficient in carrying out diagnostic and interventional intra and extra cranial procedures like embolization, coiling, thrombolysis and stenting for the treatment of AVMs, aneurisms and stroke.

Neuro Spinal Hospital, today, is the premier private institution in the Gulf for Neuro sciences, with state of the art facility for Neurosurgery, Neurology, Spinal surgery, Orthopedics, Endovascular neurosurgery and Neuro rehabilitation.

An attractive tax free salary package is offered to the right candidate.
