

## Interventional Neuroradiology

### Conflicts of Interest/Disclosures, Copyright Transfer Agreement, Financial Support, Exclusive Publication Statement, and Author Contribution Form

Manuscript No.: \_\_\_\_\_ Date: \_\_\_\_\_

With respect to the article entitled: \_\_\_\_\_

The authors certify that:

**(Conflicts of Interest/Disclosures)** Each author must disclose all relevant financial, personal, and/or professional relationships with other people or organizations related to the subject of this article. Is there any actual or potential conflict of interest in the subject of this article? No ( ). If yes, please give details in the space below.

**(Copyright Transfer Agreement)** All rights, title, and interest in the manuscript, including copyright ownership, are transferred to the World Federation of Interventional and Therapeutic Neuroradiology (WFITN) if and when the article is accepted for publication in *INR*. Authors reserve all proprietary rights (such as patent rights) other than copyright and the right to use parts of this article in their own subsequent work as soon as the article is accepted for publication. The article may not be published elsewhere without permission from the publisher.

**(Financial Support)** If the authors or their institution(s) is/are affiliated with any organization having a financial interest (including the provision of financial support) in the subject of this article, the authors should indicate (a) the name of the industry/institution providing support for the study, (b) the type of affiliation of the organization (stockholder, consultant, donor of honorarium, granting body, source of other financial or material support, provider of equipment, or other support category), and (c) that the authors had complete control of the data and information submitted for publication. Any other non-financial conflict of interest should also be disclosed to the Editor, with the understanding that the information may be published if deemed appropriate by the Editor.

No, I (We) do not have any conflict of interest related to this article ( ).

If yes, (a) \_\_\_\_\_ (b) \_\_\_\_\_ (c) \_\_\_\_\_

**(Exclusive Publication Statement)** None of the material in this manuscript has been published previously or submitted for publication elsewhere prior to appearance in *INR*.

**(Author Contribution Form)** All authors participated in and contributed sufficiently to the conception and design of the work, and analysis of the data, as well as the writing of the manuscript, and assume public responsibility for the content of the paper. All authors have reviewed the final version of the manuscript and approved it for publication.
